

“From birth through childhood illnesses, in the wake of accidents and injuries, during surgeries and in life’s final stages, many thousands of people have counted on Joint Township District Memorial Hospital. Whether the need is inpatient or outpatient care, or even evacuation by helicopter, this hospital is a vital part of our area’s quality of life — and it’s the heart of our community, caring for our people.”

GIVING OPPORTUNITIES

Annual Fund is the heart of our development efforts – benefiting all programs and services of the hospital. Donors are encouraged to give annually to meet day-to-day needs, building our base of support.

Restricted gifts may be given for a particular program. (Please check with the Foundation Office.)

Remembrance of a loved one is a thoughtful way to honor the individual and the family. An acknowledgment will be sent without mention of the amount of the gift.

Honorary gifts made in a person’s name can celebrate a life milestone – such as an anniversary, a birthday, or just to show your appreciation in a special way.

Bequests by will or a trust agreement will provide future income in your name to ensure the future of Joint Township District Memorial Hospital.

Charitable Gift Annuity agreements provide you with a lifetime income, the satisfaction of a future gift and certain advantages for our older donors.

Securities, Life Insurance or Real Property gifts may give you special tax advantages that will lower the cost of your contributions.

Vehicle Donations are an excellent way to support your hospital, and take a tax write-off. Call the Foundation office for more details.

IRA Rollover Gifts can be transferred directly to the Foundation from your IRA fund without taxes being withheld for 2009. Call the Foundation for more information.

Individuals who let us know of their intention for a bequest or estate gift will be eligible for membership in the **Heritage Society**.

JTD Hospital Foundation is the fundraising arm for Joint Township District Memorial Hospital. It is a public, not-for-profit charitable organization, recognized by the Internal Revenue Service. All contributions are tax-deductible to the extent provided by law.

SECURING A HEALTHY FUTURE

*A gift.
For today.
For tomorrow.*

COMPASSIONATE CARING

***Mission** — “To secure funds for the benefit of Joint Township District Memorial Hospital’s efforts to meet the healthcare needs of our communities.”*

FOR A HEALTHIER COMMUNITY

Your gift will make a difference – now and in the future.

"I cannot imagine why anyone in this area would want to go to any other hospital!"

— **Keith Ferrand,**
Patient

Dedicated in May of 1953 to the memory of area servicemen serving in World War II, Joint Township District Memorial Hospital began as a 50 bed hospital. Ever since the first patient was admitted, contributions have supported the tradition of caring.

Each year contributions range from a few dollars to thousands of dollars, and every gift is important because it helps provide for the improvement of someone's healthcare needs. It might be you, your family or someone you know. Collective talents and resources are required to provide the right care, at the right time, and at the right cost.

Good healthcare doesn't just happen – Joint Township Hospital has always provided the highest level of care at an affordable cost, but today's cost pressures are making dramatic changes in the way healthcare is provided.

"I have never been in a hospital or a medical facility any better than Joint Township District Memorial Hospital."

— **Ed Young,**
Patient

Rapid developments in medicine are challenged by insurance changes, decreasing government aid and increasing charity care.

Private support by our community has continually made Joint Township Hospital stronger. These gifts help provide that margin of excellence to acquire new facilities and equipment. In fact, contributions give life to new programs and services that may have little or no other means of funding.

"My father was one of the founders of Joint Township Hospital. He said to me on his last trip to the hospital, 'Two things – take care of your mother and this Hospital!' "

— **Edith Blanke Wissman,**
Foundation
Board Member

The Foundation will respond to unmet needs or new opportunities that arise for the Hospital. If you are interested in Endowment – building for uninterrupted future support – please contact us.
